

Frequently Asked Questions

Q. How do I Perform at Open Mic?

Here's your chance. The Open Mic Night is held every Tuesday at 6:30pm. Sign up is at 5:00pm at the front door for the first 10-15 people in line. If you are signing up, you will be performing the following Tuesday. Each participant has 3 minutes to shine. Please keep it clean, G-rated material ONLY.

Q. What is the difference between General Admission and VIP Admission?

General Admission is on a first come first serve. (Maybe standing room only)

VIP tickets allow you to skip the line upon your arrival and go straight to the box office to pick up your tickets. Once inside you will be escorted to the VIP lounge to wait for your show.

Q. Do you have a box office we can purchase tickets in advance from?

Unfortunately we do not have a day time box office. You may purchase your tickets in advance over the phone, during club hours or from our website: laughfactory.com

Q. What time should we arrive at the club?

We recommend arriving about 30-45 minutes prior to the show. In case of a sell-out show we recommend at least an hour prior to the show time.

Q. What is the age limit to get in to the club?

Our club is generally 18 and over unless otherwise specified. You must be 21 and over to purchase alcohol or use any promotional tickets.

Q. If we are underage, do we still need to buy two drinks?

Yes, every patron must purchase at least two drinks. Those that are under age may purchase non-alcoholic beverages.

Q. What's the parking situation?

For your convenience, the Laugh Factory provides valet parking. Just stop in front of the club and let the parking assistant take care of your car. Valet parking rates are \$7 per vehicle. Street parking is also available throughout the area. Another option would be to utilize one of several public parking lots across the Sunset Strip, such as in the 8000 Sunset Parking Complex (we do not validate for these structures)

Q. What is your dress code?

Our dress code is casual; however, we do not allow hats, shorts or open toed shoes for men. We are located on the Sunset Strip so it never hurts to dress to impress.

Q. If my friends all bought tickets separately, can we still be seated together?

As long as your party arrives together, you will be seated together if enough seats are available together. For guaranteed seating, we recommend getting the VIP tickets as you get first choice at seating and are guaranteed a seat.

Q. Can we bring in cameras?

We do allow still photography, but no flash or video cameras are allowed.

Q. Is the Laugh Factory currently hiring?

We are always accepting application. Please send in resumes to employment@laughfactory.com
